MEMORANDUM FOR THE DIRECTOR:

Richard Harkness on his Friday night (11 P.M.) broadcast referred to his "Little Black Note Book" and said that Allen Dulles, head of the hush-hush Central Intelligence Agency, had moved recently to another house in Georgetown but has not yet had a telephone installed. A next-door-neighbor received a phone call asking that Mr. Dulles be called to the phone. The neighbor was told:

"This is the White House calling."
